

Fraud is everywhere.

Before depositing any check, ask yourself these three questions:

- Did this check come to you via an Internet sale?
- Do you have to send money back to someone from the proceeds of the check?
- Do you know the party who issued you this check?

Fraud is everywhere. Remember to ask these questions when depositing any check from a member and keep both our member and our credit union safe:

- Did this check come to you via an Internet sale?
- Do you have to send money back to someone from the proceeds of the check?
- Do you know the party who issued you this check?
