

ABC Credit Union is your partner against identity theft!

Here are some tips to keep your identity and your money safe.

- ✦ Never give your Social Security number, account number, or credit card number to anyone who contacts you via telephone or email.
- ✦ Always follow up on calls about account information.
- ✦ If you receive a call from someone claiming to be from ABC Credit Union, hang up and call back using the number on your account statement.
- ✦ Make sure that the spelling of our website or email address that you've received from them is correct and not a "spoofed" address.
- ✦ When entering personal information, make sure the site is secure (https).
