

# We can't make taxes go away.

## But your refund will arrive sooner if you use the IRS direct deposit option.

Direct deposit is a safer, quicker and easier way to receive your tax refund. Working with ABC Credit Union, the IRS will transmit your refund directly to your credit union account.

Our routing number, **123456789**, and your account number from your statement are all you need. Simply see the instructions on your U.S. Individual Income Tax Return form—fill in lines 73b, c, and d.

A small way to go green.  
A big convenience  
for you.

This credit union is federally  
insured by the National  
Credit Union Administration

## Direct deposit your tax refund into your ABC Credit Union account.

Direct deposit is the quicker, greener way to receive your tax refund. The IRS will transmit your refund directly to your account, eliminating the need for a paper check and envelope.

Our routing number, **123456789**, and your account number from your statement are all you need. Simply see the instructions on your U.S. Individual Income Tax Return form, and fill in lines 73b, c, and d.
